

Acknowledgements

Hundreds of individuals in the United States, United Kingdom, Ghana, and Liberia offered up their time to make the Liberia TRC Diaspora Project possible. It would be impossible to list them all here, but The Advocates wishes to thank each of them for their efforts. It would not have been possible to extend the TRC process to Liberians in diaspora without the valuable contributions of the members of the Liberian Advisory Committee and the Pro Bono Management Team (especially Dulce Foster, Dianne Heins, Mark Kalla, and James O’Neal). In particular, The Advocates expresses profound gratitude to the Liberian TRC Diaspora Project Advisory Committee and to those individuals who volunteered as statement takers to document the stories of Liberians in the diaspora. And to those Liberians who shared their stories, either by giving a statement or testifying publicly at hearings, we are humbled by their strength and courage.
